Dear Parents/Guardians,

We are delighted to welcome your child into first grade at P.S. 98. We have a very busy and exciting year in store for us! During our first few weeks of school, we will be spending time going over classroom procedures, getting to know each other, participating in social emotional learning activities, and diving into our exciting first grade curriculum!

We realize that teaching your child is a privilege, as well as a tremendous responsibility. We will do our best this year to ensure that each student has a motivating and **safe** learning experience in the classroom. With your help, we are looking forward to a new exciting year. Throughout the year we will communicate with you through notes, telephone calls, e-mails, and parent-teacher conferences.

In closing, continue to value these early years with your child. Read to him or her as often as you can and remember that time moves quickly as you see your child grow. During this time, your child has many adults looking out for his/her best interests. Home and school together make a wonderful partnership and those who benefit are the children. If you have any questions or concerns, please feel free to contact us. It is our pleasure to be working with you and your child this year.

Sincerely,  
First Grade Teachers
